

Valet Parking at a Higher Level!

ROCKY MOUNTAIN VALET

Rocky Mountain Valet Inc. was established in 2006 with a vision of providing the most professional valet parking service in the city. Our valet team is staffed with employees that combine for over 150 years of experience in the parking industry. Along with this experience is the mutual respect and established relationships that we have built with each clientele's staff and management team. This allows us a unique ability to reach our goals of providing each guest with an exceptional valet parking experience from beginning to end.

Whatever your venue, we are large enough to handle the job. . . small enough to care!

What makes Rocky Mountain Valet unique is in our level of service, management team and valet staff's appearance, professionalism and our many years of experience in the parking industry.

We are fully committed to ensuring that each event site, venue, client and guest is properly covered by the correct insurance policies.

Our company handles all of the insurance coverages from general liability to garage keepers and we are fully bonded.

With a friendly greeting, the opening of a door and a simple smile, our valet parking attendants #1 Goal is to make everyone feel special. In essence, it is more than just parking cars – it is high level Guest Service!

"Dependable, responsible and respectful! Having owned and operated a special event company nationally for 21 years, we only use RMV Inc. for our events in Colorado. We encourage all our Colorado clients to use Rocky Mountain Valet because they never disappoint and always provide professional service with great employees! "

"Take all of the bad experiences you have had with valet companies, either as a partner or consumer, and put them behind you. Rocky Mountain Valet is a perfect partner. Vic, Chris, Pat and every single one of their employees work tirelessly to provide the most professional, classy and personalized service conceivable. Out of the ten valet companies that I work with across the country, Rocky Mountain is number one without a close second. They have been perfect partners and incalculable value added to our 22 year business."
